

# HUI LIMA KOKUA HAWAII CLUB NEWSLETTER

## APRIL 2020

Website: [www.huilimakoua.com](http://www.huilimakoua.com).

**What Next?** The Hui board has decided to cancel the scheduled picnic on April 11 due to the corona virus situation. We hope you are all doing well and have enough essentials for the next couple of weeks, at least. **(b)** All future club activities are put on hold at this time. I will try to keep you all updated on Hawaii Club information through the newsletters. Please send me information you would like to share with the membership.

**Past Club Activity.** Last month's (March) potluck luncheon that was supposed to be held at **Adele Kammeyer's** house was cancelled on the day before the event due to **President Trump** declaring a national disaster because of the coronavirus. Sorry for the short notice but this is a national disaster. Mahalo **Adele** for volunteering to host this event. In fact she was looking forward to the potluck in spite of the COVID-19 and the rain predicted on the day of the event.

**Hawaii Sports.** **(a)** I was looking forward to posting the result of the UH Men Volleyball season. The team had split two games with BYU but was ranked number 2 nationally behind BYU after weeks of being ranked number 1. But alas, the season was cut short due to the world wide pandemic so UH did not get the chance to prove itself. **(b)** On a larger scale, the sports world went black – nothing much to report. As I'm writing this, the Olympics is still scheduled to open in Japan on July 24. I'm personally concerned because my son and his wife both work for the U.S. Olympic Committee and will be traveling to Japan to support the U.S. team as they have in the past several summer and winter Olympics Games.

**Hawaii Five-O.** The ten year run of the second Hawaii Five-O Show is almost history. The season will end on April 3 and features **Alex O'Loughlin, Scott Caan, Grace Park, and Daniel Dae Kim**. The last two actors left the show after 7 seasons due to salary dispute. The original Hawaii Five-O lasted from 1968 through 1980 and featured **Jack Lord, James MacArthur, Kam Fong, and Al Harrington**. **Harrington** played football at Punahou School then continued playing at Stanford in the 1950's. I first watched this TV series for the beautiful island scenery and then got hooked. But don't panic, Magnum P.I. starring **Jay Hernandez and Perdita Weeks** will continue. This program also takes place in Hawaii.

### **A short Story.**

A young couple moves into a new neighborhood. The next morning while they are eating breakfast, the young woman sees her neighbor hanging the wash outside. "That laundry is not very clean; she doesn't know how to wash correctly. Perhaps she needs better laundry soap." Her husband looks on, remaining silent. Every time her neighbor hangs her wash to dry, the young woman makes the same comments. A month later, the woman is surprised to see a nice clean wash on the line and says to her husband: "Look, she's finally learned how to wash correctly. I wonder who taught her this?" The husband replies, "I got up early this morning and cleaned our windows." And so it is with life... What we see when watching others depends on the clarity of the window through which we look
